

New York City Science & Engineering Fair

Student Checklist (1A)

This form is required for ALL projects

- 1) a. Student #1/Team Leader: Nicholas Madoff Grade: 12
Email: nicholas.madoff20@trinityschoolnyc.org Phone: 1 917 692 4469
b. Student #2/Team Member: Cindy Hou c. Student #3/Team Member: _____
- 2) Title of Project: Modified acetylcholinesterase activity and protein modulation as a result of
chlorpyrifos exposure in D. tigrina
- 3) Adult Sponsor: Ileana Rios Phone/Email: ileana.rios@trinityschoolnyc.org
- 4) Indicate the start dates (projected or actual) of the following stages of your project (mm-dd-yyyy):
a. Background/literature review: 09/20/2019
b. Set up or design of experimental conditions and methods, and/or training on equipment: 10/5/2019
c. Experimentation/data collection: 11/04/2019
d. Data analysis: 03/19/2020
- 5) Will you be continuing data collection and analysis between January - May 2020? ☒ Yes ☐ No
- 6) If you indicated a start date before **01/01/2019** on questions 4c or 4d above, this project may be considered a continuation from a previous year. **Please provide the following:**
a. The previous year's ☐ Abstract or Project Summary ☐ Form 1A* and ☐ Research Plan*
** If submitted for previous NYCSEF competitions.*
b. Explain how this project is at a different stage, or is a new research question on ☐ Continuation Form 7.
- 7) Where will you conduct your experimentation? (check all that apply)
☐ Research Institution* ☒ School ☐ Field ☐ Home ☐ Other:

** Please submit a Regulated Research Institution Form (1C).*
- 8) List name and address of NON-SCHOOL work site(s):
