

The screenshot shows a web browser window with two tabs: "Rules Wizard" and "Adobe - Download Adobe Acrobat Reader". The address bar shows the URL "ruleswizard.societyforscience.org/Home/Summary". The page has a blue header with the text "Rules Wizard" and a sub-header "SUMMARY". Below the header, there is a paragraph stating: "These documents require Adobe® Acrobat Reader, which is a free download from the Adobe® website." This is followed by a paragraph: "The answers you gave to questions on the previous pages of the Rules Wizard indicate that you need to download the following forms in order to adhere to the International Rules:". Then, a paragraph states: "These three forms are required for all participants:". Below this, there is a bulleted list of three items: "Checklist for Adult Sponsor (1)", "Student Checklist (1A) and Research Plan", and "Approval Form (1B)". There is a fourth bullet point for "Official Abstract Form (87 kb)" with a note about ISEF finalists. Finally, there is a fifth bullet point for "Regulated Research Institutional/Industrial Setting Form (1C) (28 kb)" with a note about the form's completion requirements.

Rules Wizard

SUMMARY

These documents require Adobe® Acrobat Reader, which is a free download from the Adobe® website.

The answers you gave to questions on the previous pages of the Rules Wizard indicate that you need to download the following forms in order to adhere to the International Rules:

These three forms are required for all participants:

- [Checklist for Adult Sponsor \(1\)](#)
- [Student Checklist \(1A\) and Research Plan](#)
- [Approval Form \(1B\)](#)
- [Official Abstract Form \(87 kb\)](#) -- Some fairs may require the use of the ISEF Official Abstract Form; others may have their own required format. Please contact your regional fair for more information.  
**Note:** ISEF finalists do **not** fill out this abstract form - they have to fill out their abstract on-line. Please read the instructions for completion thoroughly.
- [Regulated Research Institutional/Industrial Setting Form \(1C\) \(28 kb\)](#) -- This form must be completed by the scientist supervising the student research conducted in a regulated research institution (e.g., university lab, medical center, NIH, SSTP, etc.) or industrial setting. A Research Institution Approval form may need to be supplied by the research site (i.e. IRB/IACUC/IBC).
